

MAKE YOUR OWN PERSONAL BAUBLE.

These Christmas baubles are a great present for family and friends.

Ideal give-away to grandparents or simply a great way to decorate your tree.

What you'll need:

- 2 standard size photographs (6x4in)
- Pencil, knitting needle or another pointed item to make a hole
- Glue Stick
- Scissors
- Sticky tape

1. Photos

Try to find photos with the faces in about the middle.

2. Glue

Apply some glue to the back of one of the photos and stick them together. Try to get the faces to line up back to back.

3. Template

Cut the template out of this paper. Using sticky tape, tape the template to one side of the photos. Poke a hole through the top to hang it.

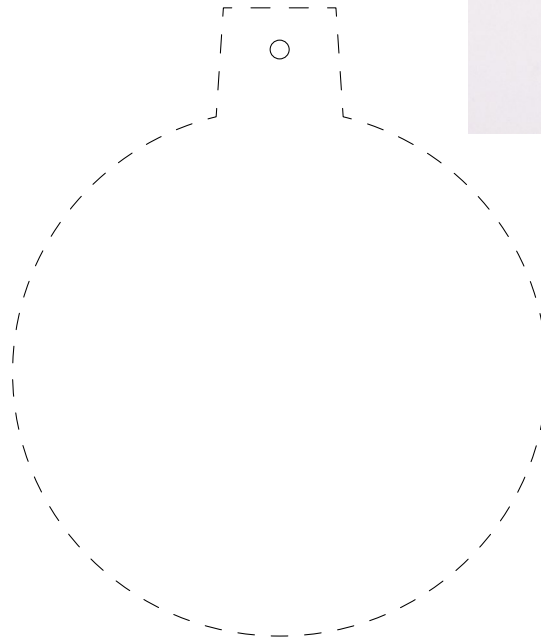

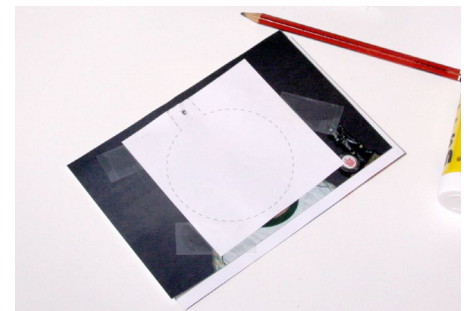

4. Cut out

Cut around the template to complete the bauble.

Yeah, Done!

Tip

You could put a bit of glue on the photos and add sparkles

Merry Christmas!
