

HOME MADE PLAYDOUGH

THE VALUE
OF play

INGREDIENTS

- 2 cups plain flour
- 1 cup fine-grain salt
- 1 tbs vegetable oil
- 1 cup cold water
- 2-3 drops food colouring

METHOD

1. Combine flour and salt in a large bowl.
2. Stir the food colouring into the water.
3. Add coloured water and oil to the flour and salt. Stir with a wooden spoon until the ingredients are combined.
4. Tip the playdough onto the bench and knead until soft.

Time to play! Add tools for rolling and shaping, and add animal or dinosaur figurines to create your own farm or prehistoric world.

Tip: Store playdough in a sealed container in the fridge when not in use.
