MAKE YOUR OWN
DECORATIONS - 1.

These Christmas Decorations are easy to make and great fun too.

What you'll need:
- A piece of coloured paper 11cm high and quite long
- Scissors
- Pencil

1. Paper

Take the piece of paper and fold it zig-zag style.
Each panel should be 4cm wide. Cut off any excess

2. Template

Cut out one of the templates below & trace it on the first panel.
Make sure the solid line is on the fold and not the edge.

3. Scissors

Get cutting. When finished, unfold the decoration.

Tip

- You could write the names of your family
  on each character.

- You can make more and tape them together
  to create a very long decoration.

- Don't use too heavy paper as it makes
  it hard cutting it when folded.

Merry Christmas!
